

Blood and Whiskey

Dropkick Murphys

Urban legend and American folklore,
Tells of a man who was one of a kind
A sure gent with a flair for fashion, prone to violence at any
time
A legendary hooligan with a thirst for blood and a taste for bo
oze
This brave and daring brutal soul, he lived and fought by his o
wn rules

Shake the hand that shook the world

Shoe-shine boy to champion, he'd fought and beaten many foes
His calling card was a kick to the groin, and a broken bottle t
o the bridge of the nose
He aimed to kill when he took to the ring, this Boston strong b
oy loved to fight
On more than one occasion, a bout was stopped to save an oppone
nts life

Shake the hand that shook the world
For Blood and Whiskey with a bare knuckled fist
