Informer

Dropkick Murphys

Why'd you give him 18 years Leave a family drowning in tears Baby boy baby girl Now their lives a living hell

Some say it shouldn't be done
But life on the dole ain't no fun
Shouldn't have been done
You're an informer

You didn't have to name him to the law Just trying to stop from being poor Hopes the kids will pull through Without a dad coz of you

Some say it shouldn't be done
But life on the dole ain't no fun
Shouldn't have been done
You're an informer
