

# The Boys Are Back

Dropkick Murphys

The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble  
The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble  
The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble  
The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble

Standing on the highway, on ninety three  
I'm missing my home, and it's killing me  
Down the ramp passed the jail, I'm feeling alright  
Bought roses for my ladies from a corner [?]  
It's time to get ready for that song and dance  
Let's go my friends, it's time to take a chance  
We're back in town, we're gonna get it done  
We got nowhere to hide, we got nowhere to run

It's been a long time coming  
It's been a long time coming

The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble  
The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble

If that old familiar city could talk in here  
You'd be just another nobody, you'd disappear  
Your days are numbered, we're back around  
We're coming for you and you're going down

It's been a long time coming  
It's been a long time coming

The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble  
The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble

And we're coming for you  
And we're coming for you

The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble  
The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble  
The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble  
The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble
