

Until the Next Time

Dropkick Murphys

Now the time has come for leaving
Here and now we should return
We're so glad we could make it
But so sad we gotta run

Well it might be a long time
Till we raise another glass
You can raise it Sure that next time
We'll (?) and laugh

We'll meet again
Don't know where, don't know when
We all had a good time
And we're sad to see it ends
Good luck be with you
You'll go your way, i'll go mine
So until the next time
It's farewell and not good bye

Now the show is nearly over
And we gotta pack it in
But We've made ourselves a real good time
Now it must come to an end

So now we say good evening
As i write another line
We give ourselves our Partyglass
And wish each other well

3x

We'll meet again
Don't know where, don't know when
We all had a good time
And we're sad to see it ends
Good luck be with you
You'll go your way, i'll go mine
So until the next time
It's farewell and not good bye
