

# Vengeance

Dropkick Murphys

Well I remember the times you put me down on the floor  
Spreading it around like a cheap little whore  
But now you've finished with your fancy man  
A skinny little runt from Birmingham

I want vengeance and I want it now  
I want vengeance, gonna get it somehow  
I'm gonna hit him, I'm gonna kill him  
I'm gonna really make him pay for what he's done  
I'm gonna hit him, I'm gonna kill him  
Nobody spoils my fun

Well I was crying  
But now I've stopped  
And you were lying  
The penny's dropped

So shut your mouth and lay on the bed  
And when I'm finished with you, I'm gonna break his head  
I'm gonna hit him, I'm gonna kill him  
I'm gonna really make him pay for what he's done  
I'm gonna hit him, I'm gonna kill him  
Nobody spoils my fun

Well I had my very last night with you  
You pushed me too far and now we're through  
You're running to the car and you think you're cute  
But you're the kind of bitch that they ought to shoot

I want vengeance and I want it now  
I want vengeance, gonna get it somehow  
I'm gonna hit him, I'm gonna kill him  
I'm gonna really make him pay for what he's done  
I'm gonna hit him, I'm gonna kill him  
Nobody spoils my fun

Well I was crying  
Yeah, But now I've stopped  
And you were lying  
The penny's dropped

So shut your mouth and lay on the bed  
And when I'm finished with you, I'm gonna break his head  
I'm gonna hit him, I'm gonna kill him  
I'm gonna really make him pay for what he's done  
I'm gonna hit him, I'm gonna kill him  
Nobody spoils my fun  
Nobody spoils my fun

I want vengeance and I want it now  
I want vengeance, gonna get it somehow  
I want vengeance and I want it now  
I want vengeance, gonna get it somehow  
I want vengeance and I want it now  
I want vengeance and I want it now  
I want vengeance and I want it now  
I want vengeance and I want it

I want it now!
