

## Wicked Sensitive Crew

Dropkick Murphys

Well it's all gone to hell now the wimps have gangs  
Pop punk tough guys with neck tattoos  
Well if you guys are hard then I'd rather be soft  
Man I gotta find me some seriously sensitive dudes

Hey! Ho! Hey!  
You gotta shake hands with your feelings  
In the Wicked Sensitive Crew

In Pittsburgh they called us closed minded  
But we know that's simply not true  
Yeah we're touchy feely sensitive guys  
I ain't ashamed I cried when Mickey died in Rocky II

In Sydney they misunderstood us  
They called us thugs and mean-spirited types  
Yeah we might not be Swedish  
And we sure ain't vegan  
But do thugs have posters on their bedroom wall of the dude  
from the Darkness in a creepy meat suit zippered so low you  
can practically see his...

I don't know nothing about no meat suit  
but I'll tell you there's one town that's ahead of the times  
Man, they know what's up for sure  
You see it's home to the godfather of love  
The bald little man who started it all  
One Teddy "Huggymonster" Etoil

Hey! Ho! Hey!  
You gotta shake hands with your feelings  
We've got a big hug waiting for you
