

Lucy

Dropping Daylight

I've had more than my share of
Girlfriends, and don't ever care to
Keep them for more than a year, but
Tonight while safely asleep I've
Fallen into this dream

Where Lucy and I are together forever
A love far too good to be true

And when I wake up
I wanna be happy
So don't forget me
When I wake up
I wanna be happy
So don't forget me

We socialize often times in our own corner
Of the party's audience chatting with each others
Exes and friends we made love with
Circling the crowd
Speaking very loud
So we can find each other, steal a kiss and cop a feel
In front of everyone

And at the end of the night we're stable and able
To keep things from falling apart

And when I wake up
I wanna be happy
So don't forget me
When I wake up
I wanna be happy
So don't forget me

I feel my heart ticking away like a clock
Feel my heart ticking away like a clock
Feel my heart ticking away like a clock
My heart beat's ticking away like a clock
Feel my heart ticking away to an alarming end
To an alarming end

And when I wake up
I wanna be happy
So don't forget me
When I wake up
I wanna be happy
So don't forget me
