

# Die for Nothing

## Drowning Pool

No!

Another star died made the headlines  
Saw the story on the TV  
What a shame but I have to say  
That I think you've lost your way  
You can't fix it so you fuck it  
Turn the channel to ignore it  
What about all the broken tears for the ones who pave the way.

First one in and last one out  
Live for something  
Never surrender, never back down  
Die for nothing  
Give blood, take life  
Never give in and never give up  
Live for something  
Die for nothing.

I'm the only one you can turn to  
And the only one who would stand true  
You'll never learn so you're gonna burn  
for the stones that you threw  
'cause the this is my life now  
Hard trial this is my life now,  
Think twice when you open your mouth.

Live for something  
Die for nothing.

All we do when its your time to bleed  
Bet your change your tune to your heartbeat  
Got a debt to pay you can't skip to  
We're gonna die 'cause you never wanna learn.

Live for something  
Die for nothing.
