

Die for Nothing

Drowning Pool

No!

Another star died made the headlines
Saw the story on the TV
What a shame but I have to say
That I think you've lost your way
You can't fix it so you fuck it
Turn the channel to ignore it
What about all the broken tears for the ones who pave the way.

First one in and last one out
Live for something
Never surrender, never back down
Die for nothing
Give blood, take life
Never give in and never give up
Live for something
Die for nothing.

I'm the only one you can turn to
And the only one who would stand true
You'll never learn so you're gonna burn
for the stones that you threw
'cause the this is my life now
Hard trial this is my life now,
Think twice when you open your mouth.

Live for something
Die for nothing.

All we do when its your time to bleed
Bet your change your tune to your heartbeat
Got a debt to pay you can't skip to
We're gonna die 'cause you never wanna learn.

Live for something
Die for nothing.
