

Full Circle

Drowning Pool

The price leaves me, feeling empty
A rusted inside a broken frown
The clock is real, make a deal, risk another hand
The time is now and the payment is my sin

You think it's over, well I've come too far to back down now
You think it's over...

My time to rise above you, it's time to rise above you
We've come, Full Circle.
It's time to rise above you, My time to rise above you
When I dream, I breathe easy
A perfect ending a perfect now
No remorse (no remorse) No regret (no regret)
Ain't got time for simple minded bullshit

You think it's over, well I've come too far to back down now
You think it's over...
My time to rise above you, time to rise above you

My life...A crown of thorns
My life...An open door
You think it's over
We've come full circle

You think it's over well I've come to far to back down now
You think it's over...

My time to rise above you, it's time to rise above you
We've come... Full Circle
It's time to rise above you, my time to rise above you
