

Step Up

Drowning Pool

1, 2, 3 - Go!

Broken,
Yeah, you've been living on the edge of a broken dream.
Nothing,
Yeah, that's the only thing you'll ever take away from me.

I'm never gonna stop,
I'm never gonna drop,
Ain't no different than it was before.

So take some good advice,
You better stop and think twice,
Before you take your first step,
Out that door.

If you wanna step up (step up),
You're gonna get knocked down (knocked down).
If you wanna step up (step up),
You're gonna get knocked down.

You had your chance to walk away.
Live to see another day.

If you wanna step up (step up),
You're gonna get knocked down (knocked down).
You're gonna get knocked down...

Aaaaah...

Suffering,
Yeah, that's the only thing here that's left for you.
Nothing,
Yeah, that's the only thing you're ever gonna -- do.

I'm never gonna stop,
I'm never gonna drop,
Ain't no different than it was before.

So take some good advice,
You better stop and think twice,
Before you take your first step,
Out that door.

So if you wanna step up (step up),
You're gonna get knocked down (knocked down).
If you wanna step up (step up),
You're gonna get knocked down.

You had your chance to walk away.
Live to see another day.

If you wanna step up (step up),
You're gonna get knocked down (knocked down).
You're gonna get knocked down...

You're gonna get knocked down...

And now you've crossed that line...
You must be out your mind.

Go.

If you wanna step up (step up),
You're gonna get knocked down (knocked down).
If you wanna step up (step up),
You're gonna get knocked down.

You had your chance to walk away.
Live to see another day.

If you wanna step up (step up),
You're gonna get knocked down (knocked down).
You're gonna get knocked down...

You're gonna get knocked down (step up).

You're gonna get knocked down...

You're gonna get knocked down (step up).

You're gonna get knocked... down!
