

## 5 Steps

Dru Hill

I don't know how much longer  
You're going to be here  
So I say my prayers  
Every night  
One 4 my mother  
One 4 my father  
And one 4 the love of my life  
So if u decide to leave today  
Then leave tomorrow at the door  
And take only  
Half of yesterday  
Forget all hope for the present  
Cause it just went away

We were 5 steps  
From eternity  
4 steps  
4 steps past love  
And 3 wishes  
From  
Touching the heavens above

Another day is gone  
Another night now dawn  
Waiting patiently hoping you'll return  
But not before long  
Why'd you say goodbye  
I still feel your presence  
In my bed at night  
And what was reality once  
A love True in form  
Has now added pain  
For a man scorn  
Forced to wear the memories of pain  
Around an empty heart  
Now I sit in silence and begin to think  
As laughter echoes through the air  
I can't get you off my mind  
But a whole new love  
I could never bare  
So now I lay  
Me down to sleep  
And I pray my Lord my soul to keep  
And if I die, before I wake  
Then I promise I'll be there for you always

We were 5 steps  
From eternity  
4 steps  
4 steps past love  
And 3 wishes  
From  
Touching the heavens above
