

# All Alone

Dru Hill

I'm gonna stay to myself  
Where there's no one else around me  
I'm gonna stay to myself  
So there's no one else to find me  
That's what I'm gonna do  
My baby love if I can't have you  
Maybe I'm better off on my own

If I pray to myself  
Maybe God above will hear me  
And if it is in his will  
Then he'll send you right back to me  
I'll hold my feelings inside so that you won't see me cry  
I hope it's all in my mind cause I'm scared.

I'm gonna chill to myself  
Leave the stress of a world from inside me  
I'm gonna walk all alone  
And leave all my troubles behind  
That's what a man has to do  
In his life just to make it through  
I'm gonna chill to myself

(All Alone)  
Since you left me baby I've been steady cryin'  
(All Alone)  
Wonderin' if you ever really truly loved me  
(All Alone)  
I'll never give my heart again  
(Baby I've got to be alone)  
Baby can't you see just what is happening to me  
(All Alone)  
Won't you come along and baby rescue me  
(All Alone)  
I can't stand being all alone  
(And I'll Never)  
Be alone again

Another time, Another place, Another love  
Maybe it will happen then, but I won't live my life on faith  
So I'll keep my tears inside and drift away  
Where I'm all alone
