

## Do U Believe?

Dru Hill

Do you believe, like I believe  
Do you believe in love  
Can't you see, like I can see  
That we should be in love

Sisqo and Lisa fell in love the other day  
Talked on the phone so long  
They caught the break of day  
Keesha and Nokio don't talk like they used to  
But I guess that's just the things  
That we go through  
When two are in love

Do you believe, like I believe  
Do you beleive in love  
Can't you see, like I can see  
That we should be in love

You say you're tired of all those lonely nights at home  
Tossing and turning  
Wishin' you were not alone  
I've got to find a way to get you in my life  
And if I do I promise boo  
I'll make you my wife

Do you believe, like I believe  
Do you believe in love  
Can't you see, like I can see  
That we should be in love

I ain't got no time for love  
No time for hugs  
No time for what was I'm thinking of  
I've gotta find a way to get you back to me  
Cause there are no guarantees in love

Do you believe, like I believe  
Do you beleive in love  
Can't you see, like I can see  
That we should be in love
