

Enter The Dru (Interlude)

Dru Hill

I have no visual...
No wait... Wait a minute I see...
Jesus Christ, it's huge!
Wait slow down and wait for backup
I gotta get a closer look.
I repeat wait for backup
I gotta get a closer look. No John!!
I gotta see...
Jesus Christ, it's amazing!!
I'm gonna go closer, I'm goin' closer.
Wait... Wait a second... I've lost control.
I'm going to enter the Dru
I repeat ima have to enter the Dru.
