Love is great to me that's why I should be your boyfriend. Love
you like a baby
Girl you know yo body deseever a man like me. Love can go to the
max. I love the
Way you walk,talk,and smile. Hate is the pain in the soul and b
aby that what
You are giving me. Hate can cause us to fall out of love.
Love is good, Hate is pain. Love shouldn't be replaced,Hate can
always be
Replaced
