

## The love we had

Dru Hill

I just can't believe it girl  
I can't believe that it's over  
But i'm your man  
And i'll be alright  
But still  
The love we had  
Stays on my mind

Lately babe  
I've been thinking  
How good it was  
When you were here  
And it ain't the wine  
That i've been drinking  
For once i feel my head  
Is clear

But early this morning  
When i opened up my eyes  
That old lonesome feeling  
Took me by surprise  
I guess you ment more to me  
Than i realized

The love we had stays on my mind  
(stays on mind)  
The love we had stays on my mind

And lately girl  
I've been remembering  
The good times  
That we used to share  
My thoughts of you  
Don't have an ending  
And memories of you are  
Everywhere

But what should i tell you  
It's not your concern  
You win some  
You lose some  
And i've lost  
And i've learned  
Sisqo's so lonely  
With no place to turn  
And here at the end  
Yes i do

The love we had stays on my mind

Girl if you were nearer  
If you had a mirror  
Maybe you could count my tears  
(you don't know, don't know how i cry baby)  
And if you were nearer  
It would all be clearer  
(i want you right here, i want you right here next to me)

How i wish that you were hear  
(oh baby)  
How i wish, oh i wish  
How i wish that you were here

And baby girl  
I was tired  
So i laid down  
To dream for a little while  
But lately i've been so  
So uninspired  
Without the comfort  
Of your smile

But i'm not complaining  
Cause that's how it goes  
There's always some heartache  
In this world i suppose  
Huh, listen to me  
But you can't imagine  
But nobody knows  
Nobody know's baby

The love we had stays on my mind...
