We're Not Making Love No More

Dru Hill

Sure I've been in love a time or two
But in the end I still chose you
No one could ever make me feel this way
That's why it's killing me, what we're going through
Somehow thought 'tween me and you
Our love would stand the test of time and never ever fade

But we're not making love no more We're not even trying to change Tell me how it slips away Does it ever stay the same We don't even talk no more We've ran out of words to say Tell me it don't have to change Won't it ever stay the same

Girl I know that things aren't going right But don't you think it deserves a fight A love like ours don't happen everyday And we're losing it right as we speak And if we don't wake up, it's a memory A time gone past, a love that sailed away

I dream of lovers past and
I see a girl so sad cause
She lost the only man she loved
He went away
Well it's not too late for us
To change
