

# Goodnight

Dry Kill Logic

Now that I&  
&face the world with pain inside.  
Strange but I&  
&can't understand the reasons why.  
Forever is&  
&a word that I cannot describe&  
&that died the time we said goodnight.

It makes no difference, wrong or right&  
&the time has come to say goodnight.

And how could I&  
&be so sure but be so wrong?  
And how could I&  
&have a will so weak with a mind so strong?  
And Only I&  
&can tell the difference right or wrong.

It makes no difference, wrong or right&  
&the time has come to say goodnight.  
It makes no difference, wrong or right&  
&I guess it's best we say goodnight.
