mind control  
self control  
watch dem trouble in the mind  
freaking out one more crime  
torment inna dam brain  
loxapine addy ball an chain  
can't deal with reality  
living in a fallacy  
pop another pill  
for ya thrill ya  
shooped up medication  
pulling out of mental station  
buzzing up in the morning  
headshot give em what you got  
buzzing up in the afternoon  
giving medication to a headshot nation  
buzzing up wid out warning  
headshot give em what you got  
buzzing over the moon  
self control  
mind control  
my control  
control  
you keep shooting representatives  
some time we got to strong  
a hazard in all the neighbourhood  
you knows your mind is gone  
there's such a thin line  
between in and out of sane  
when ya living on a mystic  
order of a mental crazy plane  
buzzing up in the morning  
headshot give em what you got  
buzzing up in the afterdoom  
giving medication to a headshot nation  
buzzing up in the morning  
headshot give em what you got  
buzzing over the moon  
self control  
control  
self control  
control  
self control  
the italians said your voice is

loud strong and beautiful  
you don't only sing like caruso  
you're as good as caruso  
that's the words of the 'talians  
buzzing up in the morning  
headshot give em what you got  
buzzing up in the afterdoom  
giving medication to a headshot nation  
buzzing up wid out warning  
headshot give em what you got  
buzzing over the moon
