Dub War

He's sick of living without know cash he knows the consequences But he don't care bout dat He'll not forget what his father said It's by the sweet an ya brow You should make your bread But still with a bad intension To go out an rob He jumped in a motor to go do a job Why why why some one said Why why why you'll be dead Why why why why crazy head Why why why why Anyway Walks into the store An tells the attendant You stay still Jumps over the coonter An starts looting out the till All of a sudden as he turned around He sees old babylon bill an mose him down Why why why why Why why why some one said Why why why why Why why why why crazy head He made a move For the exit door He burst out side An faced up twenty more he hears freeze drop the gun Stick your hans on your head He crazy brother Tried to run instead Why? Hag him high You will fly You'll be dead Crazyhead Don't bother with the bad boy Don't bother with the bad boy bad boy business Don't bother with the bad boy Don't bother with the bad boy bad boy business Don't bother with the bad boy

Don't bother with the bad boy bad boy business
