Dubioza Kolektiv

Time goes by  
Leaves a trace  
So much things  
You must face  
Never do  
What they say  
What you can  
Is to resist

I'm rockin' rockin' rockin'  
I'm beat I'm beat I'm beatin'  
I'm rockin' never sleepin'  
I'm rockin', you rock it

You'll be fine  
You'll be strong  
You'll be fine  
You're for all  
You'll be trackin'  
Just for sure  
You'll be one  
The one for more

I'm rockin' rockin' rockin'  
I'm beat I'm beat I'm beatin'  
I'm rockin' never sleepin'  
I'm rockin', you rock it

Ou, you must fight for more  
Must fight for more, must fight

Smokin' marijuana...

They lock us in jail,  
Just because we want to breath our air  
They lock us in jail,  
Man I wanna' smoke free, I declare

Time goes by  
Leaves a trace  
So much things  
You must face  
Never do  
What they say  
What you can  
Is to resist

I'm rockin' rockin' rockin'  
I'm beat I'm beat I'm beatin'  
I'm rockin' never sleepin'  
I'm rockin', you rock it

You'll be fine  
You'll be strong  
You'll be fine  
You're for all  
You'll be trackin'

Just for sure  
You'll be one  
The one for more

I'm rockin' rockin' rockin'  
I'm beat I'm beat I'm beatin'  
I'm rockin' never sleepin'  
I'm rockin', you rock it

Now more than ever  
We should stick 'n rise together  
We don't need no one to tell us  
Coz' we know it better  
We can no longer stay sever  
C'mon people fight it's now or never

Let the new dub spirits  
Come around our way  
Hear them right now  
And this is what they wanna' say

Smokin' Marijuana...
