Dubioza Kolektiv

I am from Bosnia,take me to America
I really want to see Statue of Liberty
I can no longer wait,take me to Unites States
Take me to Golden Gate, I will assimilate

The grass is always greener in neighbour's court-yard
I wish to leave this nightmare,go to a promised land
Please, take me to your leader
I want my green card
I want to fly over like a rocket from the Balkans
I want to start all over and turn a new page
Forget this dreadful story,escape the stone age
I'm waiting for a chance to get out of the cage
I feel like a slave on a minimal wage

I am from Bosnia,take me to America
I really want to see Statue of Liberty
I can no longer wait,take me to Unites States
Take me to Golden Gate, I will assimilate

One day when you reach the end
One day you will understand
One day back to roots my friend
No place like a motherland

I hoped i'll find what I need,I'll be free like a bird
Now we're pushed in a ghetto like the sheep in a herd
All the promises I heard became empty words
Completely disconnected from the rest of the world
The grass is never greener in neighbour's court-yard
I want to start all over return to no man's land
Send greetings to your leader,don't want your green card
I want to fly back like a rocket to the Balkans
