

Anywhere

Dubstar

I'll be around anywhere
Any place you want me
I'll be around anywhere
Any time I'm free

In time the stakes will change
Even predestination couldn't stay
I don't mind
I don't mind

I'll be around anywhere
Any place you want me
I'll be around anywhere
Any time I'm free

In time this place is mine
You know the inspiration in my smile
I don't mind
I don't mind

Leave it all behind
I don't mind
