

## It's You

Duck Sauce

It's you, hey you  
It's you, hey you  
It's you, hey you  
It's you, hey you  
It's you, hey you  
It's you, hey you  
It's you, hey you  
It's you, hey you

It's you I wanna kiss good night  
It's you I wanna hold real tight  
Feeling deep inside my soul  
Without you losing all control  
Oh-oh, oh-oh, oh  
Oh-oh, oh-oh, oh  
Oh-oh, oh-oh  
It's you, hey you  
Where are you

Well, you make my heart jump up and down  
You got me spinning all around  
Trill me baby, trill me through  
You got me breaking all the rules, it's  
All the rules, it's  
All the rules, it's  
All the rules, it's  
All the rules, it's  
All the, a-a-a-a-a-a-a-a-all  
All the, a-a-a-a-a-a-a-a-all  
All the, a-a-a-a-a-a-a-a-all  
All the, a-a-a-a-a-a-a-a-all  
All the, all the, all the  
It's you, baby, you  
Where are you

It's you I want here by my side  
It's you I need to satisfy  
When we kiss is when that's true  
You're loving me, I'm loving you  
Whoa-oh, oh-oh, you  
Whoa-oh, oh-oh, you  
Whoa-oh, oh-oh  
It's you, baby, you

Baby, you  
Baby, you  
Baby, you  
Baby, you
