

Queen Jonosophina

Duff McKagan's Loaded

She is pure ecstasy
Came to this world in between
I know you are a queen
Singing beautiful songs about what is wrong
And all those groovy things

Queen Joanasophina
Gonna get it right
Queen Joanasophina
Gonna get it right
Yeah, Yeah
This time

She caught the family disease
She got her junk for free
And found the drink
She thinks the world is so obscene
But now that she's clean
She's a beautiful one
Like a young boy's dream

Queen Joanasophina
Gonna get it right
Queen Joanasophina
Gonna get it right
Yeah, Yeah
This time
