

Shallow

Duff McKagan's Loaded

One plus one is a funny thing
That I don't understand
If you might find an answer
Won't you let me know?

What's that?
Yeah, come again
You don't understand
All of the things that I thought true
Have turned blue and sad

If I go fallin' back
Will you call my name?

I thought you a believer
But, no, you are shallow
The absence of you at this time
Really let me know

If I go fallin' back
Will you call my name?

You're shallow
Gonna put you back, put you back
You're shallow

It's sad and blue
Yet, so true
Yeah, you are shallow
All of the things that I've learned from
Left a gaping hole

If I go fallin' back
Will you call my name?

You're shallow
Gonna put you back, put you back
You're shallow
