

Lovestruck

Duffy

Suddenly it hit me like, like in between the eyes,
It's a physical ..and we got it like I'm in paradise,
They say I'm crazy, but I know where I belong,
Any love .. you got me sleepless all night long.

And nobody, like it lonely,
.. your body, next to hold me,
It's not too much for me,
They say it's too much for me.

Suddenly it hit me like, like in between the eyes
It's a really good feeling, we got it like I'm in paradise,
They say I'm crazy but I know where I belong,
Any love ... you got me sleepless all night long.
I'm lovestruck, lovestruck, ohh you,
I'm lovestruck, lovestruck, ohh you.

Ain't nobody, like rejection,
...to dreamin',
Oh, so such sweet affection,
It feels so good to me,
It feels so, so, so, so good for me.

Suddenly it hit me like, like in between the eyes
It's a really good feeling, we got it like I'm in paradise,
They say I'm crazy but I know where I belong,
Any love ... you got me sleepless all night long.
I'm lovestruck, lovestruck, ohh you,
I'm lovestruck, lovestruck, ohh you.

You see I'm lovestruck, lovestruck, ohhh you,
I'm lovestruck, lovestruck, ohh you
Huuuu, ohh you
Lovestruck, ohhh you, ohhh you.
