Serious  
Serious

I'm a trophy on your arm  
You wear me like a charm  
Yes, you do  
An accessory that suits  
Your new suede boots  
Ohhh

I get a feeling  
Deep down, inside  
Something  
Just ain't right  
I get a feeling  
That tells me I know  
Baby you never show

How you  
Really feel for me  
Tell me  
Can we ever be  
Serious?  
Serious in love?

A joke on my expense  
In front  
Of all your friends  
All the time  
A game  
You like to play  
Leaves me solo  
Every day

I get a feeling  
Deep down inside  
Something  
Just ain't right  
I get a feeling  
That tells me I know  
Baby you never show

How you really  
Feel for me  
Tell me  
Can we ever be  
Serious?  
Serious in love?

Serious?  
Serious in love?

I get a feeling  
Deep down inside  
That something  
Just ain't right  
I get a feeling

That tells me I know  
Baby you never show

How you  
Really feel for me  
Tell me  
Can we ever be  
Tell me  
Serious?  
Serious in love?

Serious  
So serious  
Serious  
So serious  
Break it down  
Serious  
Break it down  
Serious  
Baby  
Serious
