

# I Never Felt This Way Before

Duke Ellington

A turn of the tide or the weather  
Are things we accept as they come  
But since you and I've been together  
The change in my heart leaves me numb  
I Never Felt This Way Before I met you  
You stole my heart and what is more  
I let you  
I fell in love too often I won't deny  
But my heart didn't soften till you came by  
When I discovered you between romances  
I looked at you and read between your glances  
this is one romance I can't ignore  
I Never Felt This Way Before.  
I Never Felt This Way Before I met you  
You stole my heart and what is more  
I let you  
I fell in love too often I won't deny  
But my heart didn't soften till you came by  
When I discovered you between romances  
I looked at you and read between your glances  
this is one romance I can't ignore  
I Never Felt This Way Before.
