

Please Forgive Me

Duke Ellington

Won't you PLEASE FORGIVE ME,
Won't you PLEASE FORGIVE ME,
darling I'm sorry, so sorry
I didn't mean to break your heart
Won't you please believe me darling
I miss you and kiss you
In ev'ry dream
Since we're apart my love for you
is so sincere
What can I do to keep you near?
Won't you PLEASE FORGIVE ME darling
Let's make up, don't break up
that love that started with you, sweetheart.
