

## The Gal From Joe's

Duke Ellington

Way down at Mister Joe's Cafe  
They're takin' someone far away,  
And if you hear a song today  
It's a sad tune that you'll be playin':  
She's leavin' and folks are feelin' so low,  
They're grievin' and they're consolin' poor Joe;  
Gonna miss her song  
Gonna miss her smile  
She'll be travelin' alone down that last long mile  
They're sighin' with all their trouble and woes  
They're cryin' 'cause they all loved  
THE GAL FROM JOE'S.  
She's leavin' and folks are feelin' so low,  
They're grievin' and they're consolin' poor Joe;  
Gonna miss her song  
Gonna miss her smile  
She'll be travelin' alone down that last long mile  
They're sighin' with all their trouble and woes  
They're cryin' 'cause they all loved  
THE GAL FROM JOE'S.
