

Heartbeat

Dum Dum Girls

How do I come around
After all that has gone down
I strain to hear the sound of my heartbeat

How can I tell myself
If I can't tell anyone else
I'll stick my thoughts on the shelf 'til tomorrow

Oh Oh Oh Oh
I don't know where to go to get away from this sorrow

Take it away, take it away, take it away, take it away
repeat

I want to say goodbye to being gone for a while
I do not pray but tonight I am begging

Oh oh oh oh
I don't know where to go to get away from this sorrow

Take it away, take it away, take it away, take it away
Take it away, take it away, take it away, take it away

Where can I go where sorrow will not find me
I do not know how to leave this behind me
I do not know do not know

Take it away, take it away, take it away, take it away
Take it away, take it away, take it away, take it away
I don't want to wait...
