

# In My Head

## Dum Dum Girls

What is mine when you leave  
(empty bed, empty bed)  
All the memories I can retrieve  
(from my head, from my head)

I can't live without your warmth  
I just wanna be adored  
Oh, I'd do anything to bring you home  
tonight

Oh don't you tell me  
I am your baby  
Over the phone  
It don't feel right  
Come home and kiss me  
Tell me you miss me  
Tell me it right  
Tell me it right

Another year has passed us by  
(I'm all alone, all alone)  
Crazy how the time does fly  
(when you're on your own, on your own)  
But now it's not only you  
I am always leaving too  
Oh, I'd do anything to bring you here  
tonight

Oh don't you tell me  
I am your baby  
Over the phone  
It don't feel right  
Come home and kiss me  
Tell me you miss me  
Tell me it right  
Tell me it right

Don't bother asking how my day was  
Every day drags the same just because  
Without you, I can't get out of my bed  
I'd rather visit you in my head

What is mine when you leave  
(empty bed, empty bed)  
All the memories I can retrieve  
(from my head, from my head)

I can't live without your warmth  
I just wanna be adored  
Oh, I'd do anything to bring you home  
tonight

Oh don't you tell me  
I am your baby  
Over the phone  
It don't feel right  
Come home and kiss me

Tell me you miss me  
Tell me it right  
Tell me it right

Don't bother asking how my day was  
Every day drags the same just because  
Without you, I can't get out of my bed  
I'd rather visit you in my head  
In my head - in my head - in my head
