

Venus

Dunaj

A Goddess on the mountain top
was burning like a silver flame
summit of beauty she was
and Venus was her name

She's got it
yeah, baby she's got it
I'm your Venus
I'm your fire at your desire

Her weapon were her crystal eyes
making every man mad
black as a dark night she was
got what no one else had

She's got it
yeah, baby she's got it
I'm your Venus
I'm your fire at your desire
