

# I Believe My Heart

Duncan James

Whenever I see your face the world disappears,  
All in a single glance so revealing.  
You smile and I feel as though I've know you for years.  
How do I know to trust what I'm feeling?

I believe my heart,  
What else can I do?  
When every part of every thought leads me straight to you.  
I believe my heart.  
There's no other choice,  
For now whenever my heart speaks, I can only hear your voice

The life-time before we met has faded away.  
How did I live a moment without you?  
You donâ€™t have to speak at all, I know what you'd say.  
And I know every secret about you.

I believe my heart.  
It believes in you.  
It's telling me that what I see is completely true.  
I believe my heart.  
How can it be wrong?  
It says that what I feel for you I will feel my whole life long  
.

I believe my heart.  
It believes in you.  
It's telling me that what I see is completely true.  
And with all my soul  
I believe my heart.  
The portrait that it paints of you is a perfect work of art.
