

# Save This Moment for Me

Duncan James

Don't know what it is about you,  
But you're always on my mind,  
Don't know if you feel the same way I do,  
Guess we're running out of time,  
I just need you to know,  
There's a memory I hold,  
And I want to share it with you,

So won't you,  
Save this moment for me,  
Close your eyes and you feel,  
That I'm right here beside you,  
And I'm holding your hand,  
So, let this moment be ours,  
Even though we're apart,  
Understand that I love you,  
We're living separate lives,  
Right now is our time,  
Save this moment for me,

I just want you to trust me,  
And I want you to care,  
Oh, if it's too late for us now,  
Keep this moment we share,  
I just want you to know,  
If you're ever alone,  
Call my name,  
And I'll always be there,

So won't you,  
Save this moment for me,  
Close your eyes and you feel,  
That I'm right here beside you,  
And I'm holding your hand,  
So, let this moment be ours,  
Even though we're apart,  
Understand that I love you,  
We're living separate lives,  
Right now is our time,  
Save this moment for me,

If I could go back in time,  
There would be no doubt in your mind,  
Of how much I love you,

Oh, save this moment for me,  
Close your eyes and you feel,  
That I'm right here beside you,  
And I'm holding your hand,  
So, let this moment be ours,  
Even though we're apart,  
Understand that I love you,  
We're living separate lives,  
Right now is our time,  
And I'm here by your side,  
Just say you'll be mine,  
Save this moment for me
