

## Genius (Never Came Through)

Duncan Sheik

Clearly I'm a genius  
If she only knew it  
but somewhere in her radius  
I really blew it  
I know, I know what I said to her  
and I know what I did  
What I don't know is how I could ever be  
so incredibly stupid

(you don't really need to know every last detail.  
Its hardly worth telling  
suffice to say I said that I would be there  
i never came through)

Maybe I'm a genius and  
she just don't see it  
I fronted,  
I should have admitted,  
she saw right through it  
I never thought that I could be  
so underhanded.  
somehow I've cornered the market on  
the double standard

For this act of genius  
and so many others  
I know I should apologize  
and see how it goes

what am I waiting for?  
come on, come on, come on, come on

sha la la la la la sha la la la la la la la

to all of the geniuses...
