

# Wishful Thinking

Duncan Sheik

Listen to the waves  
Everything communicates  
Will it ever be  
Anything more than wishful thinking?

Oh no, there you go  
Looked away and missed the show  
How much wasted time  
Will you survive?

Feel the blades of grass  
How it brings you back  
It will always be  
Only as green as you can see

Oh no, there you go  
Looked away and missed the show  
How much wasted time  
Will you survive?

Oh yeah, fooled again  
I don't know how and I don't know when  
Not much else to blame  
But wishful thinking

Little breakdowns  
In coastal town  
They come suddenly  
Crashing over you

They come easily  
I'm falling through the skies  
And frozen places

Oh no, there you go  
Looked away and missed the show  
How much wasted time  
Will you survive?

Oh yeah, fooled again  
I don't know how and I don't know when  
Not much else to blame  
But wishful thinking

And I try to realize  
That I needn't look any further  
The whole of the universe is plain to see

And I try not to rely  
On another world or the future  
The whole of the universe is a mystery

Gets me over  
It gets me over, yeah, oh  
It gets me over  
It gets me over, yeah
