

Demolition Derby

Dune Rats

In the ground, life would be easier
Not a sound, you could just leave me there
I got a wide screen, I got a wide screen
It doesn't work, but neither did anything
In the dirt, it's better than listening
I got a nice scream, I got a nice scream

Not so bad to get through
Not too late (Where do we go from here?)
Not so bad to get through
Not too late (Where do we go from here?)

Out of ground, it would be easier
Not around, you could just meet me there
We don't know anything, we don't know anything
For what it's worth, you never get everything
Talking dirt to anyone listening
One more, no more, one more, no more

Not so bad to get through
Not too late (Where do we go from here?)
Not so bad to get through
Not too late (Where do we go from here?)
Not so bad to get through
Not too late (Where do we go from here?)
Not so bad to get through
Not too late (Where do we go from here?)

Not so bad to get through
Not too late (Where do we go from here?)
Not so bad to get through
Not too late (Where do we go from here?)
Not so bad to get through
Not too late (Where do we go from here?)
Not so bad to get through
Not too late (Where do we go from here?)

On and on, on and on, on and on, on and on
On and on, on and on, on and on, on and on
On and on, on and on, on and on, on and on
On and on, on and on, and on, and on, and on, and on
