

Doctor Doctor  
We need a doctor they say

Misunderstood  
We ain't no fucking hood today

We'll be fine. They'll be fine  
We'll be fine, someday

Get high, get drunk  
It's fun to be a punk sometimes  
Sing loud, sing proud  
Our lungs are filled with clouds sublime

We'll be fine. They'll be fine  
We'll be fine, someday  
We'll be fine. They'll be fine  
We'll be fine, someday

We'll be fine. They'll be fine  
We'll be fine, someday  
We'll be fine. They'll be fine  
We'll be fine, someday
