

FUCK IT

Dune Rats

I didn't like you much
Fuck it
You never were that tough
When everyone was falling
You were there, you were crawling

Down
You'll always bring me down
You'll never bring me down
You'll always bring me down

You never say I'm wrong
Fuck it
You'll never live that long
When everyone was brawling
You were there you were falling

Down
You'll always bring me down
You'll never bring me down
You'll always bring me down

Down
You'll always bring me down
You'll never bring me down
You'll always bring me down
