Home'sick

Dune Rats

Look what we've done
How far we've come
Fuck what they say
Never go away

When we look back
We'll see the facts
Never gonna run
Never gonna run
We're not, we're not home
We're not, we're not home

Things are gonna change
Make it good again
Now I got to go
See you when I know

Now I am gone
Now I am gone
You must be strong
You must be strong
We're not, we're not home
We're not, we're not home

Never gonna run
Never gonna run
Never gonna run
Never gonna run
Never gonna run
Never gonna run
Never gonna run
Never gonna run
We're not, we're not home
We're not, we're not home
