

Lola

Dune Rats

Oh I wish we would't fight
All your friend are super nice
Oh I wish your heart not cold
Wish you'd never grow to old

Lola you don't need to cry
Lola you don't need to cry
Lola you don't need to cry
Lola you don't need to cry

Oh I wish you wouldn't scream
Everybody makes a scene
Oh I wish you'd sleep this sound
No one ever brings you down

Lola you don't need to cry
Lola you don't need to cry
Lola you don't need to cry
Lola you don't need to cry

Lola you don't need to cry
Lola you don't need to cry
Lola you don't need to cry
Lola you don't need to cry

Oh I wish you knew my name
