We drank a potion, oh how'd it feel feel feel

I'll be the one if you
For me for me
I'll be the one if you
Play with me
Everytime I pogo myself
I Pogo myself, and I

We lack in style, we got denial yeah
It's not an aisle, it's just a smile yeah

Here it comes back again, oh my God I'm going insane yeah

I'll be the one if you
For me for me
I'll be the one if you
Play with me
Everytime I pogo myself
I pogo myself
And I

I'll be the one if you
For me for me
I'll be the one if you
Play with me
Everytime I pogo myself
I pogo myself
And I
