

RED LIGHT GREEN LIGHT

Dune Rats

You'll never like us cause we're so lame
We'll never like you cause you're so vain
Darlin' I'll tell you why it's unfair
Darlin' I'll tell you cause we don't care

Red light I wanna go, Green light I want to go
Green light I wanna go, Red light I want to go

Now that I'm back well you see my face
If you don't like it then leave this place
Darlin' I'll tell you why it's unfair
Darlin' I'll tell you cause we don't care

Red light I wanna go, Green light I want to go
Green light I wanna go, Red light I want to go
Red light I wanna go, Green light I want to go
Green light I wanna go, Red light I want to go

We'll never like you cause you're insane
