

**WOOO!**

**Dune Rats**

Yeah we're young, yeah it's fun  
I got a feeling that it's all being done  
Back to the start, all in your heart  
We can get so high, We can get so high tonight  
We can get so high, we can get so high tonight  
We can get so high, we can get so high tonight  
We can get so high, we can get so high tonight  
We can get so high, we can get so high tonight  
We can get so high, we can get so high tonight  
We can get so high, baby we can get so high tonight  
We can get so high, can get so high tonight  
We can get so high, we can get so high tonight
