

Hide And Seek

Dune

There was a time when there was nothing at all
Nothing at all, just a distant hum
There was a being and he lived on his own
He had no one to talk to, and nothing to do
He drew up the plans, learnt to work with his hands
A million years passed by and his work was done
And his words were these

Hope you find it in everything, everything that you see
Hope you find it in everything, everything that you see
Hope you find it, hope you find it
Hope you find me in you

So she had built her elaborate home
With its ups and its downs, its rain and its sun
She decided that her work, it was done, time to have fun,
And found a game to play

Then this part of the game
She completely forgot where she'd hidden herself
And she spent the rest of her time
Trying to find her parts.

Hope you find it in everything, everything that you see
Hope you find it in everything, everything that you see
Hope you find it, hope you find it
Hope you find me in you.

There was a time when there was nothing at all
Nothing at all, just a distant hum.
