

In My Dreams

Dune

In my dreams...
In my dreams...
In my dreams...
In my dreams...

(In my dreams) I can go everywhere
(In my dreams) I don't have to care
(In my dreams) Follow red balloons
(In my dreams) Only lovely tunes

I can go everywhere
I don't have to care
Follow red balloons
Only lovely tunes

In my dreams...
In my dreams...
In my dreams...
In my dreams...

(In my dreams) I can go everywhere
(In my dreams) I don't have to care
(In my dreams) Follow red balloons
(In my dreams) Only lovely tunes

(In my dreams) I can go everywhere
(In my dreams) I don't have to care
(In my dreams) Follow red balloons
(In my dreams)

Here comes the dream

I can go everywhere
I don't have to care
Follow red balloons
Only lovely tunes

In my dreams...
In my dreams...
In my dreams...
In my dreams...
In my dreams...
In my dreams...
In my dreams...
In my dreams...
In my dreams...
In my dreams...
In my dreams...
In my dreams...

Here comes the dream
