## **Lost In Space**

**Dune** 

Start up everybody now
We are here and lost in space
We're gonna leave our home base now
So just look out, face to face

Please clap your hands and stamp your feet We are losing our control We're going now right to the sun So please give me a call

Start up everybody now
We are here and lost in space
We're gonna leave our home base now
So just look out, face to face

Please clap your hands and stamp your feet We are losing our control We're going now right to the sun So please give me a call
